

The Vision

TEESWATER
MEDICAL CENTRE
28
Entrance
Main Level
Pharmacy
Lower Level

The Teeswater Medical Centre Development Steering Committee has been working for two years to bring the vision of a new, fully accessible, modern medical centre to the community of Teeswater and surrounding area that will ensure the continuation of close-to-home, primary medical care.

The new, up-to-date facility will include:

- room for 2 family doctors
- an on-site pharmacy
- room for additional healthcare providers
