To members of Council:

Please note- The Roads Committee is reviewing this by-law at their meeting towards the end of November. It is hoped it can be passed at the meeting of December 18th. However I must give 14 days notice of the passing of this by-law, so we would need to be sure of its contents by the meeting of December 4th. It would be nice if we could get this in place this year, but you may feel you need more time to study it.
