Re: Bale Wrap

Please be advised that effective immediately we are NOT accepting bale wrap as a recyclable product at Teeswater or Mildmay landfill sites.

We are however accepting bale wrap at the Teeswater Landfill Site only, for a fee in accordance with the following motion, which was passed at the October 10, 2017 council meeting.

MOTION M17-546

Moved by: Ron Schnurr

Seconded by: Wayne Huber

Report That the Municipality of South Bruce Council no longer accepts bale wrap as recycled material;

And further that bale wrap will be accepted at the Teeswater Landfill Site and categorized under waste disposal fees for sorted and unsorted material as seen in the fee by-law

Motion: Carried

Any questions/concerns please contact me.

Yours Truly
